

“

**What is culture?  
Culture is a way of life.  
It's about our ceremonial  
practices, cultural protocols,  
language, food, dance,  
song, spiritual beliefs,  
values and so much more.**

# Discussion Points

- What does culture mean to you?
- How did you learn about your culture?
- How do you pass on culture to the next generation?

**CULTURE |**

“

**I tell my kids and Grandchildren that we are survivors of the oldest living culture in the world! So be proud and stay deadly!**

# Discussion Points

- What makes you proud about your family or your mob?
- If you could teach one thing about your culture to a whitefella what would it be?

**CULTURE |**

“

**Passing on language and sharing our culture to our children is what will strengthen them.**

# Discussion Points

- Say a greeting in your language.
- What does knowing your language and passing it on mean to you?

**CULTURE |**

“

**In our culture we are valued  
for what we bring to the  
table...not how much money  
we've got or material things.**

# Discussion Points

- What do you value in your family and friends?
- Activity – Ask group members to write down positive qualities that they value in another group member or all members of the group.
